

FELDSPAR LUMPS

We are instrumental in bringing forth high grade Feldspar Lumps & Powder (All mesh Sizes) that are used in varied applications. The Feldspar Lumps & Powder (All mesh Sizes) that we offer are widely demanded by the customers as they cater to their challenging requirements.

Features:

1. Pure white color
2. Rich in sodium
3. Well tested
4. Reliable performance
5. Optimum properties

Finds Application In:

1. Ceramic industry
2. Glass industry
3. Enamel industry
4. Abrasive manufacturing

Composition:

Chemicals	:	Max%
Loss on Ignition	:	0.32%
Silica as SiO₂	:	65.00%
Iron as Fe₂O₃	:	0.10%
Alumina as Al₂O₃	:	18.15%
Calcium as CaO	:	0.56%
Magnesium as MgO	:	0.30%
Potassium as K₂O	:	11.39%
Titanium as TiO₂	:	0.03%
